Pluies

A photograph of a flooded street. In the foreground, a large tree trunk is on the left, and a green metal fence is on the right. The water is murky and reflects the surrounding environment. In the background, there is a two-story building with a red roof and several windows. The word "Inondation" is written in black text on a white rectangular background in the center of the image.

Inondation

The background of the image is a close-up photograph of parched, brown soil. The soil is covered in a dense network of dark, irregular cracks that form a mosaic-like pattern. A few small, dry, yellowish-brown leaves are scattered across the surface. In the upper right corner, there is a small, isolated patch of green grass.

Pénurie d'eau

A woman with dark hair, wearing a white button-down shirt, is sitting at a wooden desk. She is holding a large, open, light-colored folding fan in her right hand, partially covering her face. She has a stressed or frustrated expression. In front of her on the desk is an open notebook with blank white pages and a blue cover. A red pen with a green eraser is lying on the notebook. The background is a dark green chalkboard with some blue horizontal lines.

Vague de  
chaleur

A photograph of a field of wildflowers, primarily blue cornflowers and a few red poppies, against a clear blue sky. The flowers are in various stages of bloom, with some buds visible. The text 'Déclin de la Biodiversité' is overlaid in a white box in the center of the image.

# Déclin de la Biodiversité

A photograph of a traffic jam on a city street. Several cars are visible, with thick, dark exhaust smoke billowing from their tailpipes, creating a hazy atmosphere. The scene is set in an urban environment with buildings and trees in the background. The text "Pollution de l'air" is overlaid in the center of the image.

# Pollution de l'air

A photograph of a city skyline across a body of water. The water is partially frozen with ice floes. In the background, there are industrial buildings with smokestacks emitting thick white smoke into a hazy sky. Several construction cranes are visible. The foreground shows a snowy and icy shoreline with some yellowish-brown debris. A large white text box is overlaid in the center of the image.

# Pollution de l'eau

The background of the image is a dense field of dried, brown corn leaves and stalks, suggesting a late autumn or winter scene. The leaves are long and narrow, with some showing signs of decay and discoloration. The lighting is warm, highlighting the textures of the dried plant matter.

# Calamité agricole

The image shows a wide, dry riverbed with deep, winding cracks in the reddish-brown soil. A small stream of water flows through a narrow channel in the foreground. In the background, there is a dense forest of evergreen trees under a blue sky with scattered white clouds. A few small figures of people are visible on a path in the distance.

# Erosion des sols

An aerial photograph showing a large, winding channel of muddy brown floodwater that has inundated agricultural fields. The water flows from the top left towards the bottom right. In the background, a small village with several buildings and a church spire is visible, partially surrounded by the floodwater. The foreground shows green fields and a narrow road or path. The overall scene depicts a significant flooding event in a rural area.

# Coulée de boue

A dramatic landscape photograph featuring a massive, dark, and ominous storm cloud formation, possibly a supercell or the beginning of a tornado, dominating the sky. The cloud is dark grey and blue, with some lighter, white clouds visible on the left side. Below the main cloud, there's a layer of lighter, white clouds. The foreground is a flat, green field with some dry grass and a few small trees or bushes in the distance. The overall mood is intense and foreboding.

A photograph of two children in a school hallway. The child in the foreground is a girl with blonde hair in a ponytail, wearing a light blue face mask and a black backpack with a leopard print pattern. She is adjusting a blue strap on her backpack. The child in the background is a boy wearing a black face mask and a grey shirt with a black backpack. The hallway has white lockers with colorful circular decorations and a white door with a silver handle in the background.

Santé

A photograph of a flooded street. In the foreground, a large tree trunk stands on the left, its roots partially submerged in the reddish-brown floodwater. To the right, a green metal railing is also partially submerged. In the background, a two-story building with a red-tiled roof and several windows is visible. The water reflects the building and the sky. The word "Inondation" is overlaid in the center of the image.

Inondation

The background of the image is a close-up photograph of parched, brown soil. The soil is covered in a dense network of dark, irregular cracks that form a mosaic-like pattern. The color of the soil is a range of browns, from light tan to dark chocolate and near-black tones in the crevices. A few small, dried plant fragments and a tiny green sprout are visible on the surface.

# Calamité agricole

The image depicts a landscape with significant soil erosion. In the foreground, the ground is dry and cracked into a network of deep, irregular polygons. A small stream of water flows through a deep, narrow channel that has been carved into the eroded soil. The middle ground shows a flat, eroded area with some sparse vegetation. In the background, a dense forest of evergreen trees covers a hillside under a blue sky with scattered white clouds. A white rectangular box with rounded corners is centered over the image, containing the text "Erosion des sols".

# Erosion des sols

An aerial photograph showing a large, winding channel of muddy brown floodwater. The water flows from the top left towards the bottom right, passing through a landscape of agricultural fields. Some fields are green, while others are yellowish-brown, possibly from previous flooding or dry earth. A small village with several buildings and a road is visible in the upper right quadrant, partially surrounded by the floodwater. The sky is not visible, focusing the view on the ground and the flood itself.

# Coulée de boue

A dramatic landscape photograph featuring a massive, dark, and textured storm cloud, possibly a supercell or the beginning of a superstorm, dominating the sky. The cloud has a bright, glowing base where light is breaking through, suggesting an approaching storm. Below the cloud, a flat, green field stretches to the horizon. A dirt road or path leads from the foreground towards the horizon on the right side. In the distance, a few small trees and a white car are visible on the right. The overall atmosphere is ominous and powerful.
